Happy 2016 From

The South Phoenix Campus

Hope everyone had a wonderful holiday season. We are so excited about all the great things that will be happening in 2016, we are very busy learning all kinds of new things so our schedule has changed slightly to fit them all in, we now have dance class and P.E. Monday through Thursday @ 10:30 and music on Fridays beginning at 9:00 A.M.

All of these activities are in addition to our great academic program, so we can ensure that your child gets a strong foundation for future academic success. I would like to thank my staff for doing such a great job everyday and making Skyline Preschool South Phoenix Campus such a great place to learn. D. Vincent
