Pre-K Room acting silly while waiting for Field Day to start.

I would like to thank all of our parents for the support they have given us this year, the water drive for our field day was a great success, almost every parent joined us for parent night, and so many of you came out to support not just your child but to encourage all of our students to do their very best on our field day. I know we will not be seeing some of you next year so thank you for all you contributed to our preschool family.

We will miss our graduate, but a lifetime of learning has just begun, they have learned the important lessons of how to love and respect each other, how to share, how to make friends, and how to be a friend, we are very proud of our graduating class, look out world here they come.
